Hi, Chris.

Attached please find our approval letter on the AR A40 FS, with two minor edits requested from our toxicologist. I think the edits are straightforward, but if we need to discuss them I am available to you.

Also, we've reviewed the Final A40 RAP dated 17 August 2018 and have no comments. The Final RAP is consistent with the Final FS.

Thanks for working with us on this, and have a good weekend,
Lynn
